	<i>Page</i>
<b>I. EXECUTIVE SUMMARY.....</b>	1
<b>II. INTRODUCTION</b>	
Purpose.....	11
Organization of Document.....	12
<b>III. TRANSPORTATION PLANNING FRAMEWORK</b>	
Regional Goals.....	14
Transportation Planning Policies and Objectives.....	15
Performance Measures	
<i>Performance-Based Planning</i> .....	17
<i>SCAG's Performance Indicators</i> .....	17
<i>Performance Objectives</i> .....	18
Transportation Planning Process	
<i>Overview of Federal Requirements</i> .....	19
<i>Overview of State Requirements</i> .....	20
<i>SCAG's Plan Update Process</i> .....	20
<i>Transportation Planning in the SCAG Region</i> .....	20
<i>Public Outreach and Public Involvement</i> .....	26
<i>Environmental Justice</i> .....	27
<b>IV. PLANNING ASSUMPTIONS</b>	
Regional Setting	
<i>Population, Employment and Household Growth</i> .....	29
<i>Transportation Demand and Baseline Investments</i> .....	36
<i>Transportation and Air Quality Conformity Setting</i> .....	37

# Table of Contents (cont'd)

	<i>Page</i>
<b>V. STRATEGIC INVESTMENTS TO ACHIEVE REGIONAL GOALS</b>	
Introduction – Overview of Future Regional Transportation System.....	41
Transportation System Setting.....	44
Strategic Investments.....	56
<i>Highways and Arterials</i> .....	56
<i>Regional Transit</i> .....	66
<i>MAGLEV System</i> .....	74
<i>Goods Movement – Ports, Rail and Trucks</i> .....	76
<i>Aviation and Ground Access</i> .....	87
<i>Transportation Demand Management</i> .....	91
<i>Non-Motorized Transportation</i> .....	95
<i>Intelligent Transportation Systems</i> .....	96
<i>Land Use – Transportation</i> .....	97
<b>VI. FINANCE</b>	
Introduction.....	105
Revenue Sources.....	107
Conditions Impacting Regional Transportation Revenues.....	108
Baseline Expenditures.....	110
Funding Shortfall.....	112
Guiding Framework for Recommendations to Address the Region’s Funding Shortfall.....	114
Recommendations to Implement SCAG’s Regional Transportation Plan	
<i>Innovative Financing</i> .....	115
<i>Alternative Funding Strategy</i> .....	116
<i>Funding Components</i> .....	119
<i>SCAG’s Regional Checkbook</i> .....	119
<i>Alternative Funding Implementation Strategy</i> .....	120
<i>Aviation and Maritime Funding</i> .....	122
<i>Conclusion</i> .....	122

	<i>Page</i>
<b>VII. PLAN PERFORMANCE</b>	
Regional Performance Goals and Objectives	
<i>Mobility and Accessibility</i> .....	123
<i>Reliability and Safety</i> .....	124
<i>Cost-Effectiveness / Cost Benefit Analysis</i> .....	124
Transportation Conformity Strategies and Findings.....	126
Environmental Justice.	
<i>Accessibility</i> .....	131
<i>Congestion</i> .....	133
<i>Traffic Safety</i> .....	135
<i>Noise</i> .....	136
<i>Air Quality</i> .....	136
<b>VIII. FUTURE LINK</b>	
Corridor Preservation.....	138
Unconstrained Projects.....	141
<b>IX. MONITORING OUR PROGRESS</b> .....	142
<b>X. WHERE DO WE GO FROM HERE?</b> .....	146
<i>A Brief Glossary</i> .....	147
<i>Appendices (under separate cover)</i>	

# Table of Contents (cont'd)

<b>List of Exhibits</b>		<b>Page</b>
Exhibit 4.1	1997 Population Density.....	30
Exhibit 4.2	2025 Population Density.....	31
Exhibit 4.3	Distribution of Population Increase Between 1997 and 2025.....	32
Exhibit 4.4	1997 Employment Density.....	33
Exhibit 4.5	2025 Employment Density.....	34
Exhibit 4.6	Distribution of Employment Increase Between 1997 and 2025.....	35
Exhibit 5.1	1997 Base Year Freeway Congestion.....	46
Exhibit 5.2	2000 Commuter Rail, Urban Rail, and Rapid Bus System.....	49
Exhibit 5.3	2025 Regionally Significant Baseline Projects.....	57
Exhibit 5.4	2025 Baseline Freeway Congestion.....	58
Exhibit 5.5	2025 Draft Plan Highway and Corridor Projects.....	60
Exhibit 5.6	2025 Proposed Transit Corridor System.....	70
Exhibit 5.7	2025 Draft Plan Maglev Projects.....	75
Exhibit 5.8	2025 Draft Plan Goods Movement Projects.....	77
Exhibit 5.9	1997 Activity Centers.....	102
Exhibit 5.10	2025 Activity Centers.....	103
Exhibit 5.11	2025 Draft Plan Freeway Congestion.....	104
Exhibit 8.1	Post 2025 Long Range Corridors.....	140
 <b>List of Figures</b>		
Figure 1.1	Aviation System Demand.....	5
Figure 3.1	2001 Regional Transportation Plan Development Process.....	20
Figure 4.1	Major Determinates of Mobile Source Emissions.....	38
Figure 5.1	Percentage of Persons who Rideshare to Work.....	42
Figure 5.2	Percentage of Persons who Ride Transit to Work.....	43
Figure 5.3	Total Transit for the SCAG Region.....	47
Figure 5.4	Maintaining Per Capita Ridership in 2025.....	66
Figure 5.5	The Southwest Passage.....	84
Figure 5.6	Aviation Passenger Demand.....	87
Figure 6.1	SCAG Regional Revenues by Source.....	108
Figure 6.2	Regionwide Mode Split of Total Baseline Costs for 2001 RTP Capital and O&M/Rehabilitation Costs.....	111
Figure 6.3	Mode Split of Total Baseline Costs for the 2001 RTP Capital and O&M / Rehabilitation Costs.....	112
Figure 7.1	Person-Hours Traveled.....	125
Figure 7.2	Projected 2025 Household Income Distribution by County.....	134
